de Congresos

Beyond the obvious
incremental innovations, game changers,
and disruptive technologies in injectables

WWW.THINKIN.FR

EXPERIENCE THE PRESENT AND THE FUTURE OF THE INJECTABLES IN SKIN HEALTH

Welcome to the seminal edition of The Medical Aesthetic Injectable Summit to take place at The Palacio de Congresos of beautiful Marbella in Spain from October 4-5, 2024. This two-day international Summit aims at casting a light on the essential and realistic facets of aesthetic medicine and plastic surgery evolution in injectables, framing the disruptive landscape of AI products and services propelling a radical transformation in our profession and industry.

MAIS plays host to an array of attendees, from the world's leading physicians and scientists to industry's top-ranking figures. It presents a unique platform for business development, constructive and deep learning about innovative products and technologies, thoughtful brainstorming about upcoming trends, and most importantly fostering networking opportunities with industry peers and potential partners.

Day one delves deep into the implications of neuromodulators and neurostimulators, while day two is dedicated to the exploration of all dermal fillers and biostimulators. The fast-paced program is structured around six key sessions, each designed to offer a comprehensive picture of various domains: Plenary on deep Science, Product Analysis, Innovation Forum, Competitive Landscape, New Indications or Uses, Injectable Debate, and Fireside Chat.

It covers topics of toxin, HA, non-HA, injecting tools, assist devices, and the application of artificial intelligence, robotics, genomics, and personalized medicine.

Amplifying the excitement is the Awards session celebrating the innovators, pioneers, and game-changers in the aesthetic injectable industry.

Don't forget to partake in our delightful social activities and exhibitions aimed at fostering industry relationships. The Business Speed Matching day, the GALA, and a round of golf, padel and spa are woven into this enriching gathering, promising not just knowledge but also enjoyment and great camaraderie.

Don't miss out on this golden opportunity to be part of a profound exchange of insights and experiences at the crux of aesthetic science, business competence, and disruptive technology. Experience the future of the injectables in skin health industry at MAIS 2024.

You are a leader in our field and this is a focus Summit dedicated to you.

We look forward to welcoming you to Marbella, Spain!

MAIS
SCIENTIFIC BOARD

WHO SHOULD ATTEND?

- Physicians & Researchers
 - PhD, Clinical & Basic Science
 - C-suite Executives
 - Contract Manufacturers / CRO / CMO
 - Industry Analysts and Consultants
 - Executives in M&A, Private Equity and Funds
 - Startups
 - Legal & Compliance Executives
 - Product Developers
 - R&D Executives
- and more, generally all HCPs within the field of the medical aesthetic industry

WHY YOU SHOULD COME?

MAIS represents the first-ever comprehensive assembly of the injectable products in the aesthetic industry ecosystem. From the deep data of research and trials, manufacturing tasks, regulatory landscapes, and market analysis, culminating strategic and development decisions to reaching a consensus dedicated to application.

It brings together distinguished speakers from both academia and business, including the world leading physicians, best PhD scientific research experts, the industry's top-ranking figure, and entrepreneur visionaries to explore the highest-level injectable topics, and fuel your professional and business growth.

• DEEP LEARN

Implications of neuromodulators, neurostimulators, all dermal fillers, biostimulators, injecting tools, assist devices, AI products and services, robotics, applied genomics, and personalized medicine.

• GAIN INSIGHTS

Latest advancements and trends, radical transformation technologies, present scenario & future prospects of products, and controversy and consensus among KOLs on major scientific questions.

• THOUGHT-PROVOKING

Controversial debate and stimulating discussions on legal, sociological, and economic issues in fireside chat, challenging the status quo.

• BOOST YOUR NETWORK

Opportunity to meet with the world's leading speakers & PhD scientists, industry top-ranking figures, potential partners, and peers to foster relationships through our unique Partner Speed-Matching platform and social activities.

• CELEBRATE

As a leader in our field, recognize and celebrate speakers, scientists and innovators with us

We look forward to welcoming you in Marbella in October 2024!

GENERAL INFO

ABOUT MARBELLA

Marbella, in the south of Spain is a vibrant coastal town with a large number of sandy beaches, a charming Old Town and some exciting nightlife. It's easy to get to from all over Europe and further afield. Together with golfing, watersports and the enticing history of several nearby towns, there really is something for everyone in Marbella. Even the Sierra Blanca mountains are close, providing the most stunning backdrop for the town.

It is of course, one of the most well known beach resorts in Spain. Although Marbella has been long associated with glitzy all day beach parties and glamorous jet setters, there's so much more to do in Marbella than just drink and party!

The beautiful beach resort is also located near to several other large towns, including Malaga, Cadiz and Seville, all offering a wealth of historical and cultural sites. It is also very close to the popular and affluent town of Puerto Banus, well worth a visit even if just to marvel at the cars and mega-yachts.

The Old Town of Marbella is stunning, the food is fantastic, the beaches are long and expansive. Plus, the weather is pretty damn good!

So join us for an intensive dive in science, while enjoying this marvellous Andalusian city.

THINGS TO DO

GOLF

Marbella is spoilt for choice when it comes to golf. With over 70 courses in a relatively small area, you are never far from an amazing golf course and the weather is ideal all year round. What's great about golf here is that there are courses for every level, preference and budget, from world class courses such as *Valderrama* or *Finca Cortesin* to *Links* courses, low cost, easy to play options perfect for novices and much more. Marbella is heaven for golfers wanting to enjoy the best courses with blue skies, bright sunshine and beautiful views.

PADEL TENNIS

Padel Tennis is one of the defining feature of *Marbella*. This sport, a unique hybrid of tennis and squash, is perfectly suited to Marbella's year-round pleasant climate, offering a fun, less strenuous alternative suitable for all ages and skills. Marbella's luxury Padel clubs and facilities are second to none, providing not only top-notch courts but also coaching and vibrant social events. The inclusivity and accessibility of Padel Tennis, combined with Marbella's luxurious backdrop, make it a preferred activity, embodying the city's lifestyle of leisure, health, and community.

INDULGE

Relaxing day on demand? *Finca Cortesin Spa* welcomes you with the utmost Spa experience. Prepare yourself for a tailored day in the luxury retreat, filled with palm-studded patios and perfumed Mediterranean gardens. We start with specialist ayurvedic massages and treatments, alongside Asian-focused therapies from oxygenating facials to classic Thai massages. All guests will then follow the spa circuit, centred on a beautiful, 28-degree indoor pool, bathed in natural light through soaring arched windows. There's also an ice room, plus steam room, sauna and cool plunge pool. 2 gorgeous outdoor pools, surrounded by perfumed Mediterranean gardens, await for your relaxing. Our day will end with a Pilates class. No word. Just fact.
